### **COMPANY DESCRIPTION**

New Meridian Technologies, Inc. is located in Waynesville, North Carolina, and specializes in providing technology service/support/deployment to commercial- and home-based customers.

We are currently seeking a service technician for our rapidly growing business. This is an outstanding opportunity to become part of a talented, dedicated, creative, and energetic team of professionals. NMT has a highly trained and well-equipped service group. With your capabilities you will be involved with customers on the leading edge of technology. If you are interested in being part of our team, please apply today!

### **RESPONSIBILITIES INCLUDE:**

Operate/support Windows-based operating systems and standard applications, including industry specific software packages utilized by our customers. Install and test PCs and servers. Install basic and advanced operating systems (Windows XP, Windows Server 2003, Windows Small Business Server 2003, and Windows Vista). Setup and monitor customer data backup including both on- and off-site backups. Diagnose, troubleshoot, and repair malfunctioning hardware and software. Install and test network cabling.

### **REQUIREMENTS:**

- Subject to criminal background check and motor vehicle records check
- A+ and Network+ certifications within six months
- Basic electronics
- Mechanical aptitude
- Knowledge of PC/Laptop repair
- Ability to travel to customer locations
- Ability to lift or move computer equipment
- Must have reliable transportation

### **Interpersonal Requirements:**

- Good customer service skills
- Ability to work independently and initiate action
- Ability to modify own working style, approach, or methodology to fit new/changing circumstances
